Bryn Mawr, Pa.

December 17th, 1926

Dear Madam:

I take great pleasure in recommending Miss Elizabeth Pitt as an instructor in Physical Education. Miss Pitt has been an assistant in the Physical Training Department in Bryn Mawr College since September, 1925, and has taught principally swimming, folk dancing and gymnastics.

This year Miss Pitt has ad charge entirely of the Danish Gymnastic work, which we have used here since 1924. Miss Pitt studied this system under Niels Bukh in Denmark last summer.

I consider Miss Pitt to be well adapted to normal work which I understand she is anxious to take up, as her theory is well grounded and sound.

I shall be pleased to answer any questions in regard to Miss Pitt.

Very sincerely yours,

(Miss) Constance M. K. Applebee  
Director Physical Training  
Bryn Mawr College  
Bryn Mawr, Pa. U.S.A.

OFFICE OF

AND HEALTH SUPERVISOR

May 19th. 1927.

Dear Bess.

A parcel has come for you from Mr de Vos and on the outside is written il...l jacquet.

Let me know if you want it forwarding to you in Canada. if you want it forwarding anywhere else, or if you would like me to keep it and bring it up to hockey camp for you, or if you don't want it at all and have not paid for it and I will keep it and give it back to Mr de Vos next year and when I write to him tell him it came too late for you. Buck said you might like it sent to the Temple camp in case it had to have duty paid.

I am also enclosing some subscription blanks. but they haven't the Canadian rates on them. so I think it would be best to write them in because then people won't get mistaken

Don't forget to give me the address of the Turkey lady sometime.

Hope you found your father much better. It has been beastly weather since you left, wet and freezingly cold.

Just rushing to Philadelphia to see about my permit for sailing. so in haste Yours

*Andrew*

Dear Min Pat -

Sept-17<sup>th</sup>

I have not written about your room as I wanted to see if there was a possibility of your being in one of the Faculty houses on the Campus. That will be the best and the easiest for you. But I have not yet heard. Therefore I think that the best thing for you to do is to come out to Bryn Mawr and see what we have been able to get for you. If I cannot get anything on the campus, you could look over the other places and see what you can get. I have an English coach who is also to find a place and I think that you could be together.

You can check your trunks to the Bryn Mawr station as they will surely not arrive before you are ready to have them delivered.

I am sending this letter to Collingwood, and a copy of it to your home address so that you will surely get it. Your letter has been delayed in reaching me at camp.

Looking forward to seeing you on the 29th or 30th.  
Yours very sincerely.

Constance M. Appleton

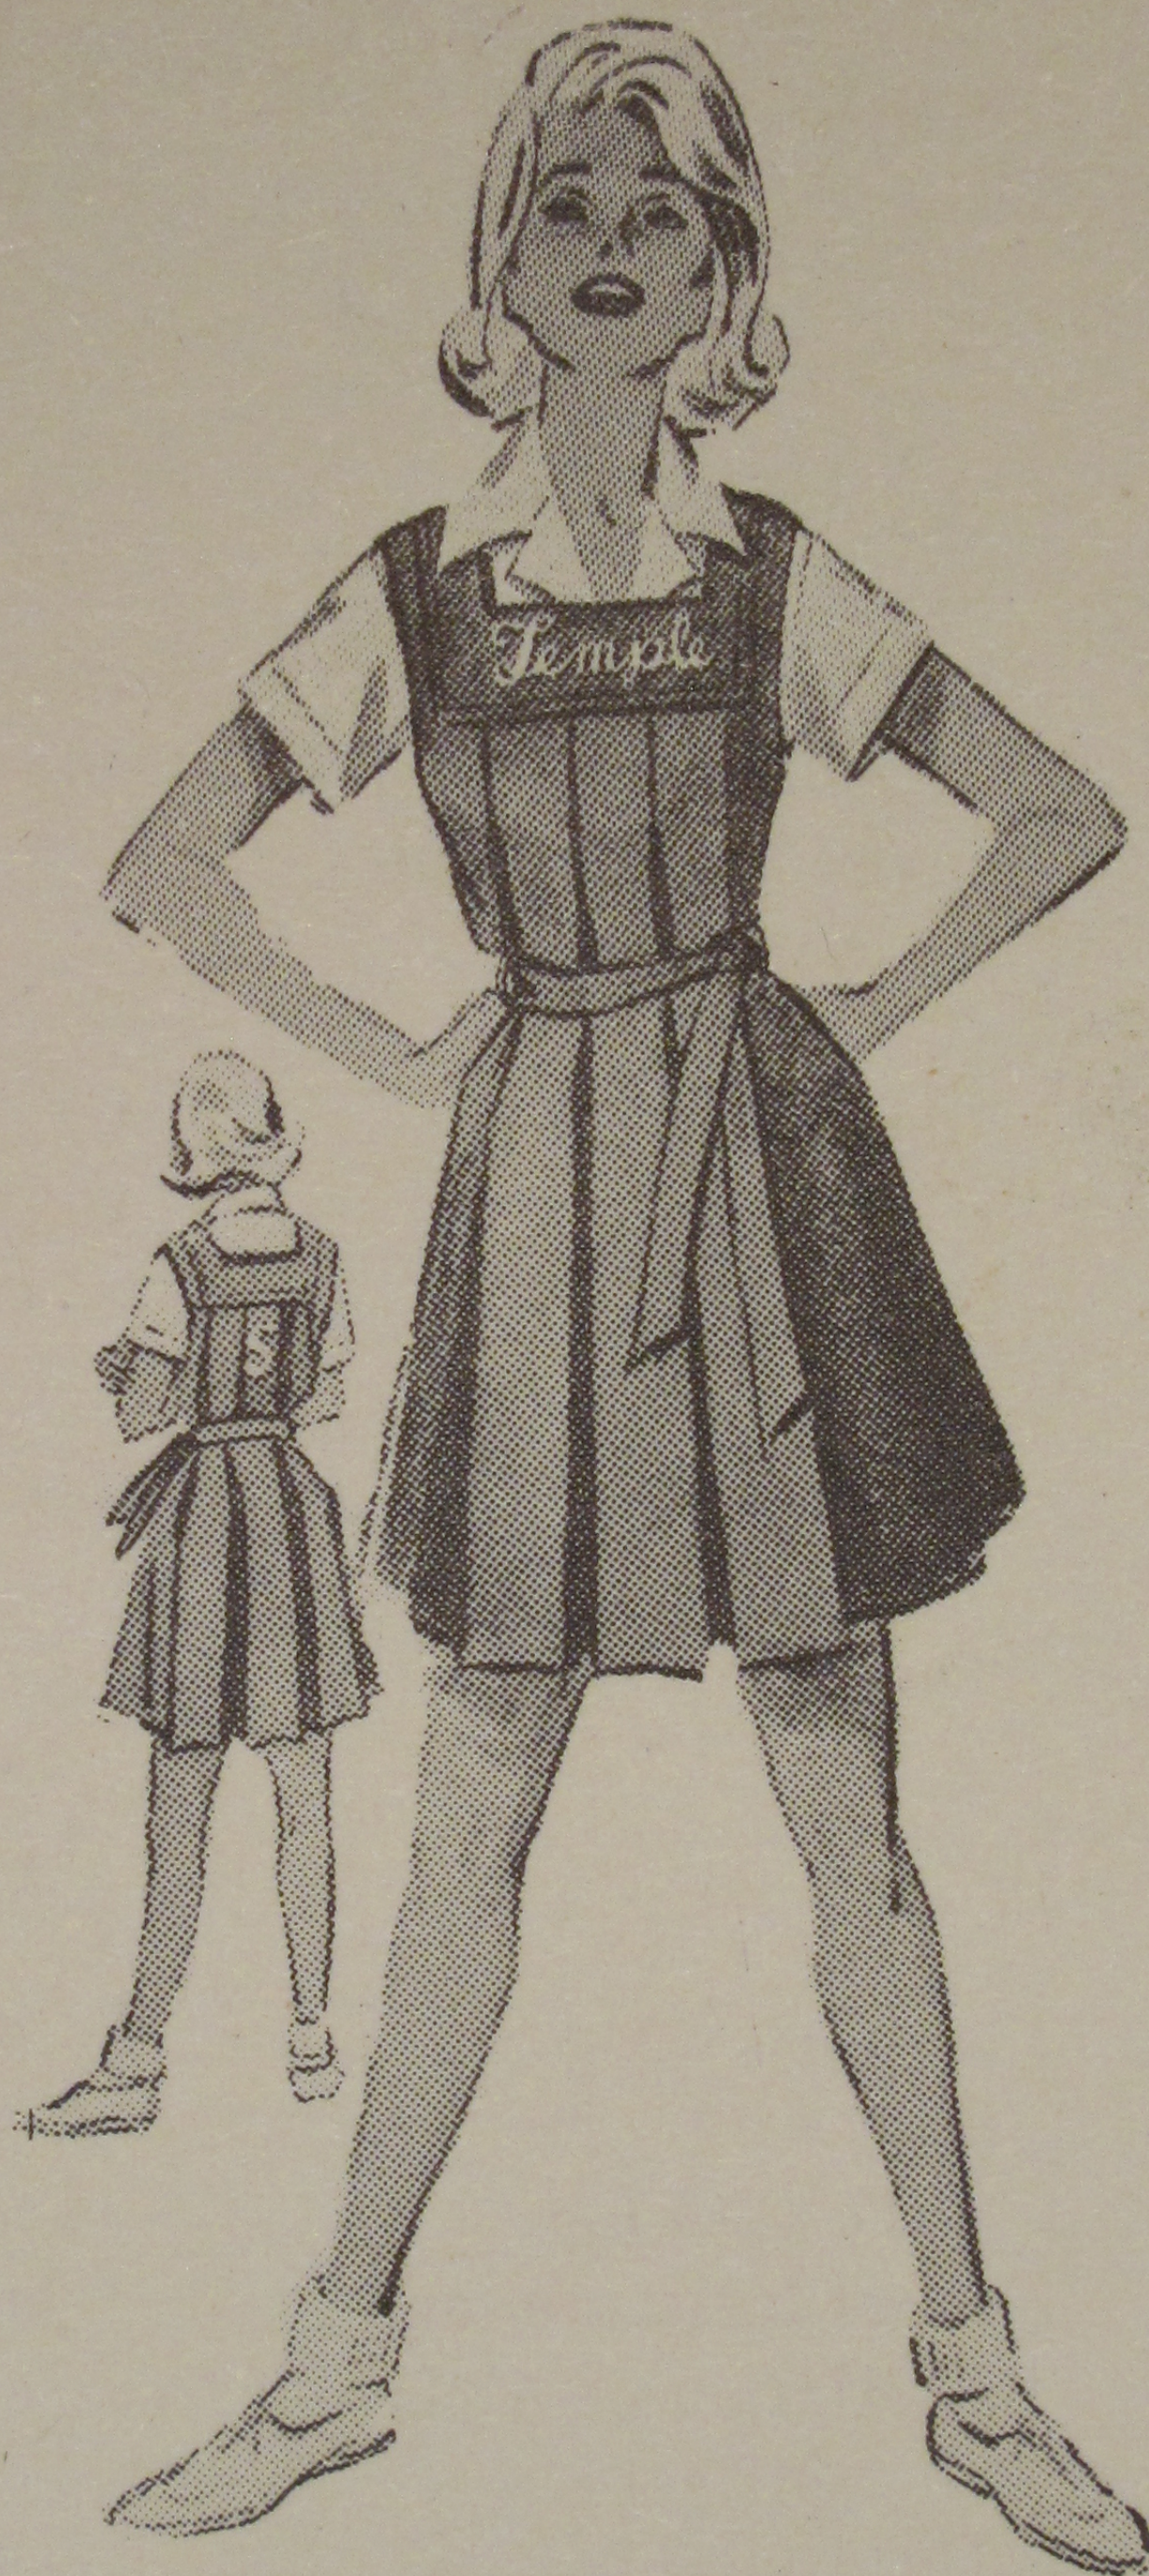

I think that you will be able to get board at about \$17 to \$18 a week. There are no tuition fees as you will be doing some teaching in return for tuition.
